

O Great Heroes of the Galactic Reproductive Freedom Resistance,

The legends of your galactic fundraising deeds will be told across all the solar systems of the universe. The space dust created by the records and fundraising goals you have smashed will one day coalesce and create new solar systems of freedom and justice. Not only have you broken the records of:

- Most Teams Ever Registered
- Most Bowlers Ever Registered
- Most Money Ever Raised By A Team
- Most Money Ever Raised By An Individual

You have now broken the previous record of most money ever raised in a Bowl-A-Thon at PCR!!!

In 2015 we raised \$92,347, and at approximately 2:24pm today we surpassed that mark! Residing in all of you is the true spirit of Reproductive Freedom. By breaking down these fundraising barriers, you are also helping break down barriers to abortion care, to contraception, to healthy pregnancies, and to the resources necessary to raise children in healthy and safe environments.

Let's keep going. Let's break through another fundraising goal. Let's push past our new mark of \$95,000 and take Karen up on her offer of getting a tattoo by breaking the \$100,000 mark. To embolden your heroic spirits, the winner of today's contest will receive beer! Anyone who raises \$50 by 5pm tomorrow (3/22) will be entered to win two free growler fills at [Bang Brewing Company](#).

The Bowl-A-Thon is and always has been made of hope, love and commitment to justice, and it's our honor to be part of this legendary and heroic Galactic Bowl-A-Thon with all of you.

The Staff at Pro-Choice Resources
